PER WEEK\*

- ✓ 'Tuff Torq' hydrostatic transmission fitted as standard – smooth and quiet.
- ✓ Your choice of engines – 13.5 H.P. and 15.5 H.P. Briggs and Stratton or 13 H.P. single and 16 H.P. V-Twin Honda. All have electric start, overhead valves and all the grunt you'll need to power around typical small acreage plots.
- ✓ Pivoting front axle – just like more expensive mowers, Lawn Boss' front axle pivots over uneven ground – preventing undue flexing and chassis stress.
- ✓ Your choice of 32" or 38" cutting decks. We recommend that you discuss the ideal mix of power and cutter deck for your needs with your Cox Dealer.
- ✓ Easy maintenance, including adjustable tie rod ends.
- ✓ Single pedal control – simple, heel/toe control of forward/reverse.
- ✓ Formed and welded, heavy gauge, steel cutting decks.
