

# COX NEW ERA

## Choice of Power

Your choice of engine power – 15.5 H.P., 17.5 H.P. or 18 H.P. matched with 32" cutter. Rear Catcher 17.5 H.P. with 40" cutter deck.

Reliably powered by:

## Easy action controls

Easy action, grouped and colour coded controls make it a breeze for even 'first timers' to start mowing, confidently.

THE  
**TOUGH**  
AUSTRALIAN

## Forced air intake

Cleverly designed, moulded ducting forces air directly to the engine fan for maximum intake ventilation even in dry, dusty conditions. Plus, specially designed exhaust vents dissipate engine heat efficiently.

## Extra strong cutting deck

Formed and welded cutting deck for long life and to assist in reducing damage from thrown objects.

## Commanding forward vision

Sloping bonnet and ergonomically positioned seating combines comfort, control – and a clear view of what lies ahead. You'll feel secure, and in control.

## Easy touch cutter engage

Effortless to operate, colour and shape coded. Power and cutting controls are grouped to the right, braking controls to the left for ease of use and maximum safety.

**The New Era range, by Cox, was designed and developed in Australia to take on the world's best. New Era is the premium range from Cox... Legendary Lawn Care Products. Engineered and built in Australia.**

The Cox New Era range are mowers designed from the ground up around the needs of the people who will drive them. Everything you've ever wanted in a ride-on mower has been brought together in this range from the trusted brand of ride-on mower - Cox.

From the legendary Cox heel/toe friction drive system to the 'cut and keyed' rigid chassis construction, one of the models in this range will be perfect for your mowing needs.

# COX NEW ERA

## 'CUT 'N COLLECT' REAR COLLECTION

Powered by:

**Catching what the others leave behind**  
With counter-rotating, twin blades and direct, flow-through blast tunnel, New Era's rear catchers cut, lift and collect more grass clippings – even when damp.

**Easy Empty**  
You need never leave your seat to empty New Era's large capacity catcher. One simple lever action dumps your clippings just where you want them.
